MANHATTAN
BRINGING COMPUTERS TO LIFE

SATA Quick Dock

Hi-Speed USB 2.0, SATA, 3.5″ / 2.5″

Model
709095

Get fast data access, create portable storage and simplify hard-disk drive exchanges.

Ideal for IT technicians and desktop or notebook computer owners with numerous hard-disk drives, the MANHATTAN® SATA Quick Dock eliminates the need for multiple external enclosures and inconvenient PC case installation and removal. The spring-loaded door and dual slot safely accepts and firmly holds 3.5″ and 2.5″ hard-disk drives with easy "pop-in/pop-out" operation. Its compact size with heavy-duty construction and rubber underside mounts help isolate and reduce vibration to keep the MANHATTAN SATA Quick Dock and an installed drive securely in place on a desk or technician's bench.

Easy to Install and Use

Plug and Play with Windows compatibility quickly installs the MANHATTAN SATA Quick Dock in seconds through an available USB port without special drivers or complicated configuration. Its hot-swap capability allows rapid, multi-HDD exchanges and quick data access without computer restarts.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

LIFETIME WARRANTY
